

# Volunteers Needed

## EECU is seeking volunteers to serve on the 2027 Student Grant Reading Committee.

Our Student Grant Program provides financial assistance to student members who are pursuing education beyond high school. Volunteers are needed to read the grant applications and select the recipients who will each receive a \$2,000 grant.

Volunteers will serve on the Grant Reading Committee during February and March 2027. They must be members of the credit union who represent the education community, preferably with a community college, technical school, or public institution background.

If you are interested in serving on the committee, please complete the application on the back of this form and return it to any EECU branch. Or, mail the completed form to the address below. **The deadline to submit the form is November 20, 2026.**
