KINGS COUNTY  
*Excellence in Education*  
AWARDS CEREMONY  
2026

Sponsored by

# SPECIAL MESSAGES

**Elizabeth J. Dooley**  
***President/Chief Executive Officer***  
**Educational Employees Credit Union**

We are proud to partner with the Kings County Office of Education to sponsor the Excellence in Education awards ceremony. This year's honorees represent the best of the education profession and it's a privilege to celebrate and recognize their achievements, talents and dedication. We congratulate all of the outstanding honorees on this well-deserved recognition of their commitment to their students, schools, and communities.

**Todd Barlow**  
***Superintendent of Schools***  
**Kings County Office of Education**

At the Kings County Office of Education, we are dedicated to supporting student learning, serving our local school districts, and celebrating the success of our colleagues.

Our Excellence in Education event has been a long standing tradition which observes the contributions of all school employees, while highlighting the dedication and commitment of the year's honorees. Those honored represent professional diversity and passion for education. They share their positive energy daily and constantly strive to form meaningful connections with students, parents, colleagues and community.

Since 2020 we have worked to transform this event, simplifying the application process, increasing the participation of our districts, honoring more of our colleagues, and promoting more student participation. The result is that every student, parent, staff member and community member has the opportunity to see their local district or school represented and recognized for the extraordinary work they do.

We thank our partners at Educational Employees Credit Union who have proudly been our sponsors for over 20 years! Their generous patronage makes the recognition of educators possible.

It is a privilege to honor these talented individuals who exemplify the highest standards of professionalism and care for others.

Please join us in extending heartfelt thanks to those who have dedicated themselves to improving the lives of the students we serve!
