

California Consumer Privacy Act

CCPA Request for Information

The California Consumer Privacy Act ("CCPA") gives you certain rights related to your personal information. Among those is the right to know what information the credit union collects, for what purpose, and who it is shared with. You also have the right to ask that, subject to certain exceptions, personal information be deleted. This form is used to submit a request to know about personal information the credit union may have collected.

Please note that EECU does not sell your personal information.

Most information collected by EECU is not subject to deletion because it is needed to process transactions, provide services requested by you, comply with laws or service your account. Most information is protected by other privacy regulations such as the Gramm-Leach-Bliley Act or Fair Credit Reporting Act.
