

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract that covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by Educational Employees Credit Union ("Credit Union or "EECU"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more savings and checking accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. Some of these services are governed by separate agreements provided to you when you sign up for or before you use the service.

By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered. Furthermore, electronic fund transfers that meet the definition of remittance transfers are governed by 12 C.F.R. part 1005, subpart B—Requirements for remittance transfers, and consequently, terms of this agreement may vary for those types of transactions. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 that is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

1. EFT SERVICES — If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. ATM Card. If approved, you may use your card and personal identification number (PIN) in automated teller machines (ATMs) of the Credit Union, STAR, CO-OP, PLUS networks, and such other machines or facilities as the Credit Union may designate.

At the present time, you may use your card to:

- Make deposits to your savings, checking, and Holiday Wise Club accounts.
- Withdraw funds from your savings, checking, and loan accounts.
- Transfer funds from your savings, checking, and loan accounts.
- Obtain balance information for your savings, checking, loan, and Holiday Wise Club accounts.
- Make loan payments from your savings and checking accounts.
- Make POS transactions with your card and PIN to purchase goods or services at POS terminals that carry STAR, CO-OP, and PLUS network logo(s).
- Access your Overdraft Protection Loan, Line of Credit, and HELOC accounts.

The following limitations on ATM Card transactions may apply:

- You may transfer up to the available balance in your accounts at the time of the transfer.
- There are limits on the amount and number of transactions you can make with your ATM Card on any one (1) day.
- The daily limits, based on your relationship with the credit union and other factors, are generally a maximum of \$500 for ATM cash withdrawals and up to \$3,500 for point-of-sale transactions. Limits may be lower and limits may change without notice to you. You may request your current limits by contacting our Member Service Center or by visiting any of our branches.

Because of the servicing schedule and processing time required in ATM operations, there may be a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal.

b. Debit Card. If approved, you may use your Visa® Debit Card to purchase goods and services from participating merchants. However, you may not use your card to initiate any type of online gambling transaction. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your checking account. For one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture your opt-in choice for overdraft protection in the Schedule of Fees.

For other types of transactions, if the available balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and PIN in ATMs of the Credit Union, PLUS, CO-OP, STAR networks, and such other machines or facilities as the Credit Union may designate. In addition, you may use your Visa Debit Card without a PIN for certain transactions on the Visa, PLUS, CO-OP, and STAR networks. However, provisions of this Agreement relating only to Visa debit transactions, such as additional limits on your liability and streamlined error resolution procedures, do not apply to transactions processed through non-Visa networks. To initiate a Visa transaction, you may sign a receipt, provide a card number, process a contactless transaction, or swipe or insert your card at POS terminal and choose to route the transaction over a Visa Network.

At the present time, you may also use your card to:

- Make deposits to your savings, checking, and Holiday Wise Club accounts.
- Withdraw funds from your savings, checking, and loan accounts.
- Transfer funds from your savings, checking, and loan accounts.
- Obtain balance information for your savings, checking, loan, and Holiday Wise Club accounts.
- Make loan payments from your savings and checking accounts.
- Access your Overdraft Protection Loan, Line of Credit, and HELOC accounts.
- Make POS transactions with your card and PIN to purchase goods or services at merchants that accept Visa.
- Order goods or services online or by mail or telephone from places that accept Visa.

The following limitations on Visa Debit Card transactions may apply:

- You may transfer up to the available balance in your accounts at the time of the transfer.
- There are limits on the amount and number of transactions you can perform with your Debit Card on any one (1) day.

- The daily limits, based on your relationship with the credit union and other factors, are generally a maximum of \$500.00 for ATM cash withdrawals and up to \$3,500 for POS transaction. Limits may be lower and limits may change without notice to you. You may request your current limits by contacting our Member Service Center or by visiting any of our branches.

Card Information Updates and Authorizations. If you have authorized a merchant to bill charges to your card on a recurring basis, it is your responsibility to notify the merchant in the event your card is replaced, your card information (such as card number and expiration date) changes, or the account associated with your card is closed. However, if your card is replaced or card information changes, you authorize us, without obligation on our part, to provide the updated card information to the merchant in order to permit the merchant to bill recurring charges to the card. You authorize us to apply such recurring charges to the card until you notify us that you have revoked authorization for the charges to your card.

Your card is automatically enrolled in an information updating service. Through this service, your updated card information (such as card number and expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing us to provide updated card information to a merchant, please contact us.

c. Personal Telephone Access (PTA). If we approve Personal Telephone Access (PTA) for your accounts, a separate PIN will be assigned to you. You must use your PIN along with your account number to access your accounts. At the present time, you may use PTA to:

- Request a check withdrawal of funds from your savings and checking accounts.
- Transfer funds from your savings, checking, and loan accounts.
- Obtain balance information for your savings, checking, loan, Holiday Wise Club, and certificate accounts.
- Make loan payments from your savings and checking accounts.
- Access your Overdraft Protection Loan, Line of Credit, and HELOC accounts.
- Determine if a particular item has cleared.
- Obtain tax information on amounts earned on savings and checking accounts or interest paid on loan accounts.
- Verify the last date and amount of your payroll deposit.
- Stop payment on checks.

Your accounts can be accessed through PTA via a touch-tone telephone only. PTA service will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing.

The following limitations on PTA transactions may apply:

- There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one (1) day.
- The maximum withdrawal or transfer amount is \$9,999.99 per day and no transfer or withdrawal may exceed the available funds in your account.

The Credit Union reserves the right to refuse any transaction which would draw upon insufficient available funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The session will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction and there may be limits on the duration of each telephone call.

d. Preauthorized EFTs.

- **Direct Deposit.** Upon instruction of (i) your employer, (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or federal recurring payments, such as Social Security, to your savings, checking and/or loan account.
- **Preauthorized Debits.** Upon instruction, we will pay certain recurring transactions from your savings and/or checking account.
- **Stop Payment Rights.** If you have arranged in advance to make electronic fund transfers out of your account(s) for money you owe others, you may stop payment on preauthorized transfers from your account.
You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within 14 days of any oral notification. A stop payment request may apply to a single transfer, multiple transfers, or all future transfers as directed by you, and will remain in effect unless you withdraw your request or all transfers subject to the request have been returned.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be.
You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- **Liability for Failure to Stop Payment of Preauthorized Transfers.** If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled and we do not do so, we will be liable for your losses or damages.

e. Electronic Check Conversion/Electronic Returned Check Fees. If you pay for purchases or bills with a check or draft, you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic fund transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

h. Online Bill Pay. We will process bill payment transfer requests only to those creditors and parties you authorize - given all necessary information is provided to the Credit Union. See the separate Bill Pay Disclosure for terms and conditions.

2. CONDITIONS OF EFT SERVICES —

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions.

Visa Debit Card. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable transaction date, which rate may vary from the rate Visa itself receives, or the rate mandated by the government or governing body in effect for the applicable transaction date. The exchange rate used on the transaction date may differ from the rate that would have been used on the processing date or cardholder statement posting date.

A fee of 1.00% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all foreign transactions, including purchases, cash withdrawals and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, with the exception of U.S. military bases, U.S. territories, U.S. embassies or U.S. consulates. Transactions completed by merchants outside of the United States are considered foreign transactions, regardless of whether you are located inside or outside the United States at the time of the transaction.

d. Security of Access Code/PIN. You may use one (1) or more access codes or PINs with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any savings and checking or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

3. FEES AND CHARGES — We assess certain fees and charges for EFT services. For a current listing of all applicable fees and charges, see our current Schedule of Fees that was provided to you. From time to time, the fees and charges may be changed, and we will notify you as required by applicable law.

Additionally, if you use an ATM not operated by us, you may be charged a fee(s) by the ATM operator and by any international, national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM fee(s), or surcharge(s), will be debited from your account if you elect to complete the transaction and/or continue with the balance inquiry.

You understand and agree that we and/or the ATM operator may charge you multiple fees for multiple transactions during the same ATM session (for example, fees for both a balance inquiry and a cash withdrawal).

4. MEMBER LIABILITY — You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts, regardless of whether they stay within the limits you set.

TELL US AT ONCE if you believe your ATM or Debit card and/or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft protection line-of-credit).

If a transaction was made with your card or card number without your permission and was a Visa debit card transaction, you will have no liability for the transaction, unless you were fraudulent or negligent in the handling of your account or card. You may be liable up to \$50.00 for all other unauthorized Visa debit card transactions, including if you were negligent in the handling of your account or card.

For all other EFT transactions involving a card or access code other than a debit card, your liability for an unauthorized transaction is determined as follows. If you tell us within two (2) business days after you learn of the loss or theft of your card or access code, you can lose no more than \$50.00 if someone used your card or access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, access code or other means, TELL US AT ONCE. If you do not tell us within 60 days after the statement was mailed to you or we notified you that your electronic statement was made available, you may not get back any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we may extend the time periods.

If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call:

559.437.7700
800.538.3328

or write to:

Educational Employees Credit Union
PO Box 5242
Fresno, CA 93755-5242
Fax: 559.451.0198

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

5. RIGHT TO RECEIVE DOCUMENTATION —

a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, debit card transactions, audio response transactions, preauthorized EFTs, online/PC transactions, mobile access device transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or POS terminal.

c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every 60 days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling 559.437.7700 or 800.538.3328. This does not apply to transactions occurring outside the United States.

6. ACCOUNT INFORMATION DISCLOSURE — We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence and condition of your account for a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders or other legal processes;
- If you give us your written permission; or
- As needed to investigate claims of error, unauthorized use or to handle merchant disputes.

7. BUSINESS DAYS — Our business days are Monday through Friday, excluding holidays.

8. CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS — If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your direct losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is an insufficient available balance in your account to complete the transaction, if funds necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy Disclosure, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM or terminal was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct transactions is not working properly and you know or should have known about the problem when you started the transaction.
- If you use Bill Pay service and there are errors involving the billing statement of a participating Bill Pay merchant.
- Any other exceptions as established by the Credit Union or stated in our agreement with you.

9. NOTICES — All notices from us will be effective when we have mailed them or delivered them to the appropriate address in the Credit Union's records. Written notice you provide in accordance with your responsibility to report unauthorized transactions to us will be considered given at the time you

mail the notice or deliver it for transmission to us by any other usual means. All other notices from you will be effective when received by the Credit Union at the address specified in this Agreement.

We reserve the right to change the terms and conditions upon which EFT services are offered and will provide notice to you in accordance with applicable law. Use of EFT services is subject to existing regulations governing your Credit Union account and any future changes to those regulations.

10. BILLING ERRORS — In Case of Errors or Questions about Your Electronic Transfers telephone us at 559.437.7700.

Write us at:

Educational Employees Credit Union
PO Box 5242
Fresno, CA 93755-5242
Fax: 559.451.0198

Or email: Info@myEECU.org

Please contact us as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

(1) Tell us your name and account number (if any).

(2) Describe the error or the transfer you are unsure about and explain, as clearly as you can, why you believe it is an error or why you need more information.

(3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error has occurred within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)** business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

For errors involving new accounts, POS, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to investigate the error.

** If you give notice of an error occurring within 30 days after you make the first deposit to your account, notice of an error involving a POS transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we may take up to 90 days instead of 45 days to investigate the error.

NOTE: If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit as described above.

11. TERMINATION OF EFT SERVICES — You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your card and any access code. You must return all cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time with or without notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. With termination of EFT services we may discontinue your card access accordingly. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any electronic transactions made prior to termination.

12. GOVERNING LAW — This Agreement is governed by the bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of California, and local clearinghouse rules, as amended from time to time.

13. ENFORCEMENT — You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any postjudgment collection actions.

14. SAFETY PRECAUTIONS — Your safety is a top priority. Here are some important tips to follow when using an EECU ATM and night deposit facility:

- Have your card ready. Memorize your PIN; never write it on the back of the card.
- Be extra cautious at night and choose well-lighted ATMs.
- Be aware of any suspicious activity. If you're not comfortable, report unusual activity as soon as possible and use another ATM.
- Notify police immediately of any criminal activity you observe at ATMs.
- Inspect the ATM card reader slot and the keypad for signs of tampering. Notify the credit union as soon as possible and use another ATM.
- Conceal the number pad when entering your PIN.
- Take your ATM Card and transaction receipt or select no receipt, email receipt or text receipt.
- Do not provide your account information or PIN to others, not even the credit union.
- Notify the credit union immediately of a lost card, compromised PIN or suspicious account transactions.
- Never count cash at the machine or in public.
- If you are followed after leaving the ATM, go to a heavily populated, well-lighted area and call the police.
- If you are involved in a confrontation with an assailant who demands your money, COMPLY.
- Do not lower your window if someone approaches you while in your vehicle; keep doors locked and windows rolled up.
