

## Visa Purchase Alerts Setup Instructions

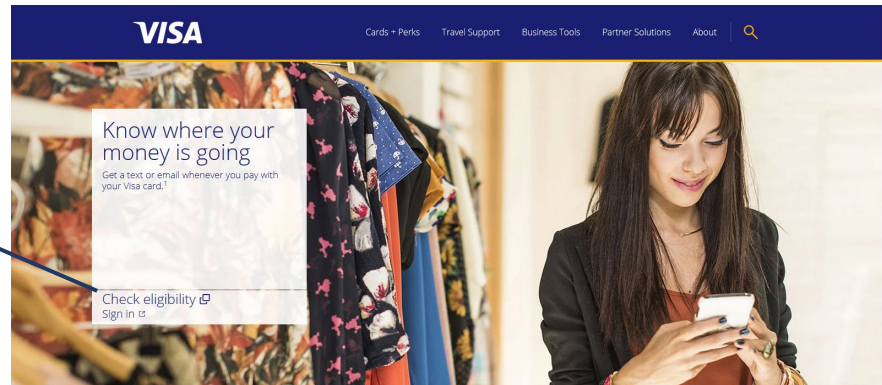

Receive near real-time text or email alerts when you make a purchase with your Visa credit card.

Login to Online Banking > select **Visa Purchase Alerts** from the Additional Services menu.

Or

Login to the mobile app > tap More and select **Visa Purchase Alerts**

Click on  
**Check eligibility.**

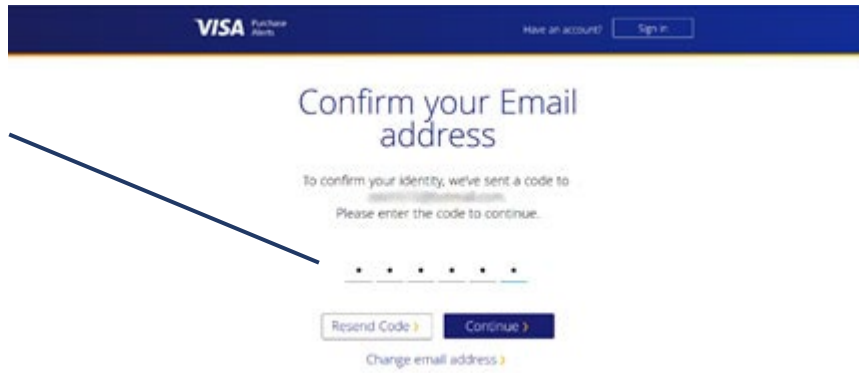

Enter the **first 9 digits** of your credit card and click **Check Eligibility.**

Enter your **first and last names** as they appear on your card and **complete the other fields.**

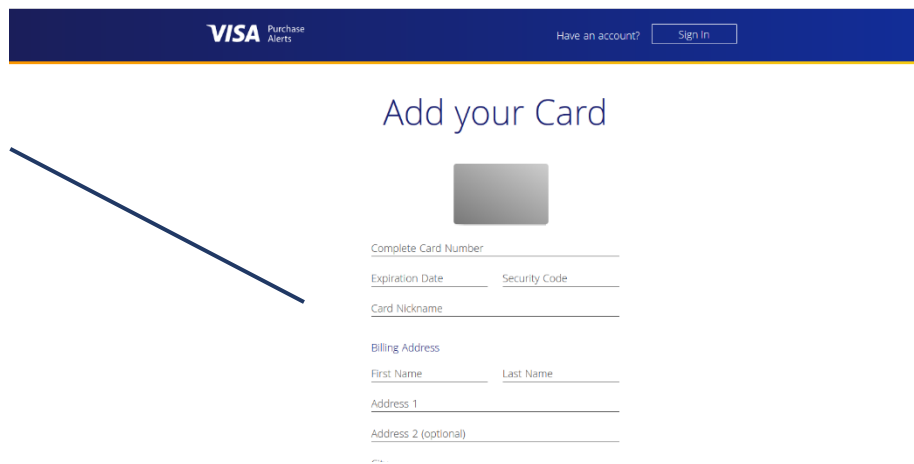

**Review** the Terms and Conditions and Privacy Policy and click **Continue.**

Create a **complex password** using letters, numbers and symbols.

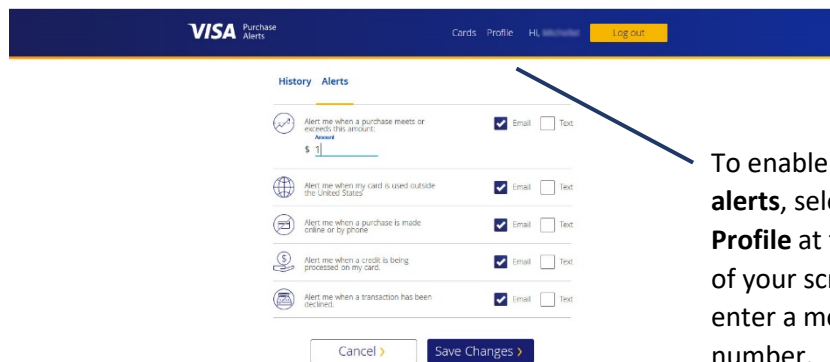

Enter the **code** emailed to you. The code will expire after a few minutes. Click **Continue**.

Complete **all fields** on the *Add your Card* screen and click **Create Account**.

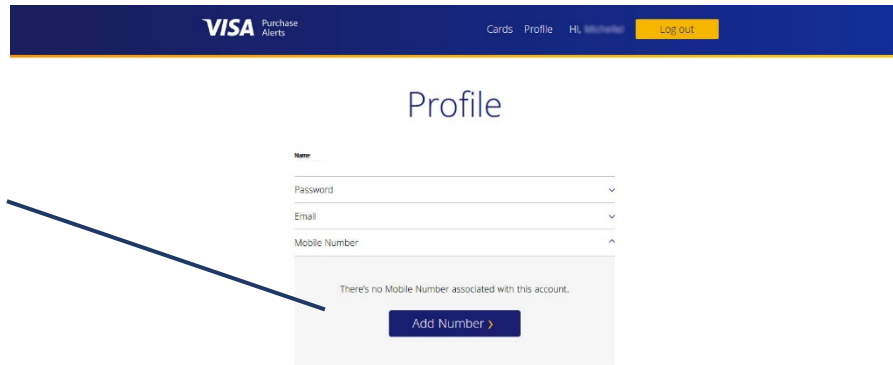

All alerts are enabled by default for Email. **Customize** your alert settings. If you only want to receive email alerts, click **Save Changes**.

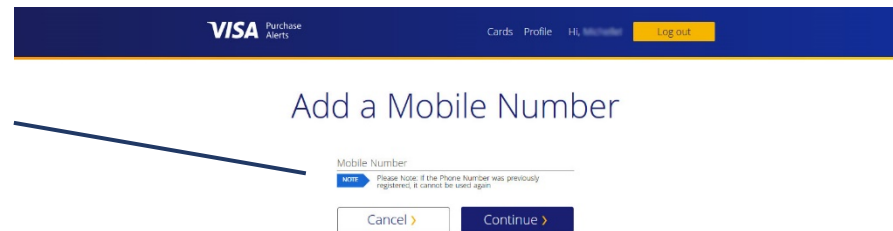

To enable **Text alerts**, select **Profile** at the top of your screen and enter a mobile number.

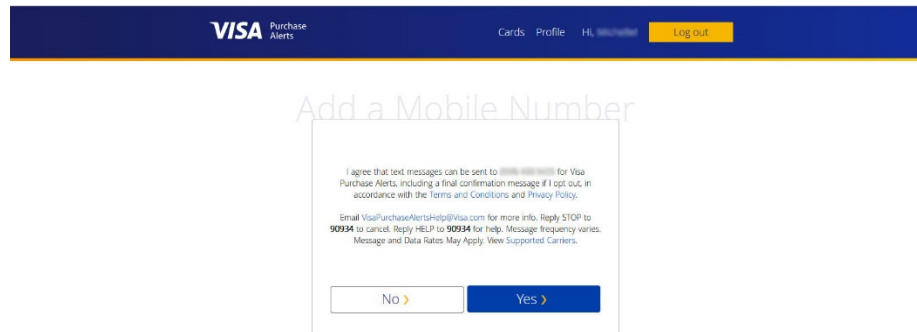

Select **Add Number** to enter a mobile number.

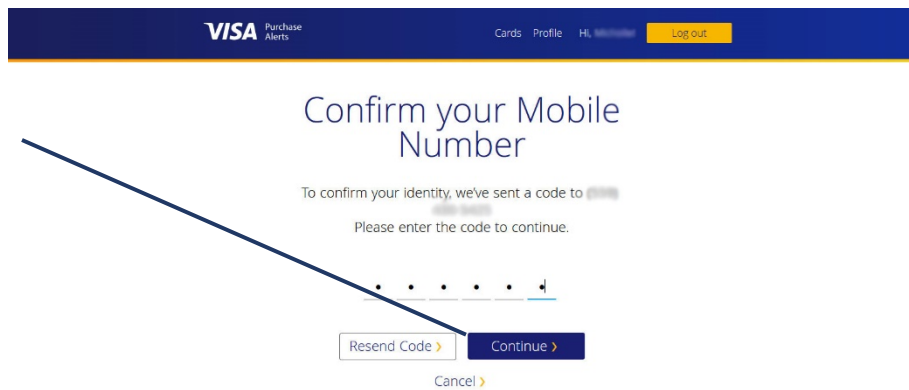

Enter the number and click **Continue**.

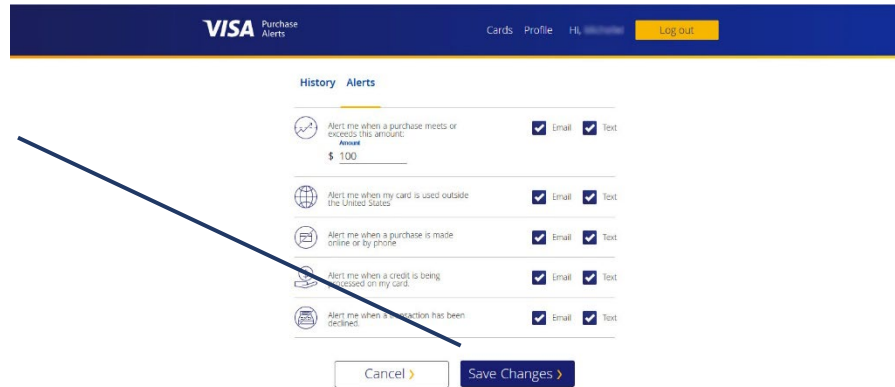

Review the disclosures and click **Yes** if you agree.

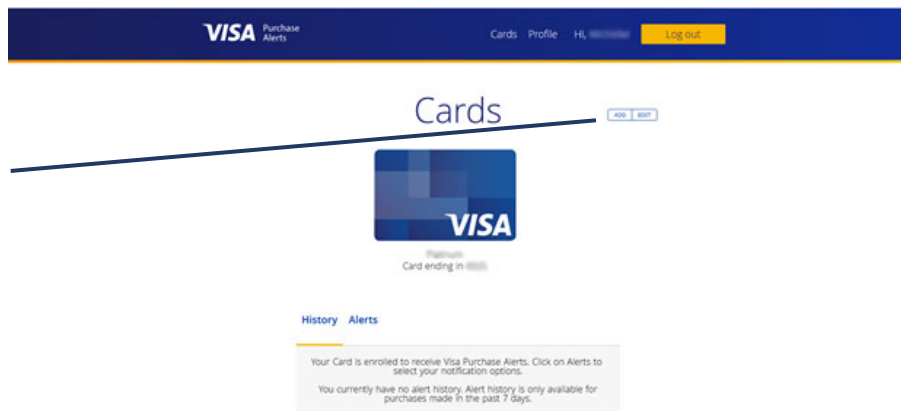

Enter the code texted to your mobile number and click **Continue**.

**Review** your alert settings and click **Save Changes**.

**Add** another card and set up alerts; **Edit** saved information.

**Log out** when you are finished.
